# High School Oratory Contest

Right to Life of Michigan's message — "Life. The Other Choice." — is reshaping the narrative and lighting a new path forward for the pro-life movement. In Michigan, abortion is legal through all nine months of pregnancy for any reason. Now, more than ever, it's vital to raise awareness that true choice exists only when women are fully supported and empowered to make a choice for life. This contest invites students to speak truth with compassion — to research, write, and deliver a 5 to 7-minute original pro-life speech on one of the following topics: abortion, infanticide, euthanasia, or embryonic stem cell research/human cloning.

Open to pro-life Michigan students, the contest inspires young leaders to use their voices to defend, honor, and celebrate the value of Life. The Other Choice.
